DEWAN OF MYSORE.,

SG. 1610 Sno 7

The humble petition of K. Siddappa, Toddy Contractor of Mulakalmarruvu Taluk, Chitaldrug District,

Most respectfully showeth:-

That your honour's petitioner's undivided brother, K. Anjanappah, was a Toddy Contractor of the Mysore Excise Department for over 8 years. He expired on the 10th November 1910. Still his name stands in the accounts. After his demise the petitioner is managing his whole business.

(2) That during the auction sales held in April 1910, your honour's petitioner's undivided brother K. Anjanappa, who had the contract of Molakalmuruvu Taluk then, successfully competed and took up the contract for 2 years, in spite of the heavy increase of nearly Rs. 19,200. This he was forced to do, as he had advanced large sums to the Pattadars for their trees.

(3) That with the assurance of this two years' contract your honours' petitioner and his undivided brother, K. Anjanappa made all the arrangements with the tappers, Vendors,

Vendors, Pattadars, Carters, and others, and have advanced large sums of money on this account.

(4) That your honour's petitioner now learns that Government have raised the tree-tax from 1st July 1911, and that on this account, he is asked whether to accept this rate or to give up his shops for resale.

(5) That your honour's petitioner begs to represent that the contract, his brother K. Anjanappa took up in April 1910, extends to 1st July 1912 and that the agreements are made out on the conditions which assured to last till the close of the contract.

(6) That the dictation of fresh terms before the expiry of the contract drives him to a heavy loss on various accounts.

(7) That your honour's petitioner, therefore, prays that he may be allowed to continue the lease on the same terms without liability for the enhanced tree-tax.

(8) That as the auction sales for the ensuing year are fast approaching, the petitioner humbly solicits the favour of very early orders in the matter.

The petitioner begs to remain,

Most honoured Sir,

Your honour's most obedient & humble servant,

Contractor.,

My dear Sir,

I am surprised at your letter as I had already personally explained matters to the 1st br and moreover when I met the four contractors at Mysore and they raised the same objections there, I informed them that Govt had passed orders and they must be carried out and their objections would not be listened to and that they must make up their minds once for all whether they wished to take on the shops at the present rate with the enhanced fee tax or have the shops resold; they chose the latter and the dates of resale have

have already been fixed; and this petitioner must do the same and if you had sent the petitioner on to me for disposal I should have given the man this answer and saved you all trouble. This is invariably my procedure with the Deputy Commrs: when dealing with such petitions.

Under the circumstances Govt must I think do one of two things (1) let the present order stand and treat all such petitions as frivolous, or (2) Cancel the order raising the tree tax for this year and bring it into force next year; personally as we have gone so far I would recommend the 1st. Whatever happens we cannot-

suppose they accept the position.

Cannot have two rates for tree tax throughout the Province which would lead to ~~useless~~ needless complications and swindlings.

The humble petition of D. Srikanta Rao, of Devanahalli, Toddy Contractor of Chickkaballapur Taluk,

Most Respectfully Sheweth:

That he became the purchaser of the exclusive privilegeof selling Toddy in Chickkaballapur Taluk for three years begining from the 1st July 1909 and one of the important terms of the sale was that he was to pay Rs.1-4-0, as tree tax for each of the tree that he tapped during the term of his contract. (Vide Cl. No. on Page. of the license issued to him)

2. That he has according to the special rules applicable to this contract deposited Rs.9,180/- and has beem paying Rs.1,530/- a month and has incurred an outlay of about Rs.6,000/- and has incurred a loss of -- Rs.3,000/- on account of famine in 1909-1910 and nearly Rs.2000/- this year up to this time on account of the heavy rains, but he has had a considerable hope of making up the loss and getting a decent profit in the remaining portion of the period of his contract.

3. But that the recent order of the Government in Notification No.7976 dated 6th April 1911 the tree-tax is increased from 1-4-0 to 1-8-0 has filled him with dismay and he is obliged to represent to the Government that this course will seriously prejudice him and he is to despair
